NOTES:

- Refer to the "Composite List of Tobacco Ingredients" accompanying this report for the quantities not exceeded and function of the listed ingredients.
- Flavourings that make up each brand's unique flavour characteristics are grouped as "natural" and/or "artificial" flavours. Each flavouring grouped under this heading is disclosed the "Composite List of Tobacco Ingredients" accompanying this report
- Details of the non-tobacco ingredients can be found in the "Composite List of Non-Tobacco Ingredients" accompanying this report.
- Processing aids and preservatives that are not significantly present in, and do not functionally affect, the finished product are grouped as "processing aids" and/or "preservatives". Each processing aid and preservative grouped under this heading is disclosed in the "Composite List of Tobacco Ingredients" accompanying this report.
